Bargello Mini Sampler

Design size is 61 x 56 threads on 18 count canvas

BUT

you may make this as large as YOU choose!

The chart indicates each of the bands of bargello starting at the bottom of the square. Remember, you may place colours as you choose. I used colour 183 in a size 8 perle cotton for the Smyrna borders.

One skein of each of the colours will be sufficient to complete more than one OR a larger bargello sampler. All of the colours used are available in my shop

- Size 5 perle cotton colours 18, 29, 65, 186
- Size 8 perle cotton colour 183
